

rian A. Smith RECORDER
By *[Signature]* DEPUTY

AGREEMENT

THIS AGREEMENT made and entered into as of the 6th day of November, 1975, by and between RONALD D. ROUSE, hereinafter referred to as "Rouse" and WILLIAM J. LACY, hereinafter referred to as "Lacy", and both being residents of Gunnison County, Colorado,

W I T N E S S E T H :

1. It is agreed that Rouse is interested in building an airstrip as described in Exhibit "B" which cannot occur without crossing the location of the airstrip with the surface ditch known as the Verzuh-Young-Bafano Ditch, hereinafter called "Ditch" together with surface access in and along the ditch for the carriage of water, for maintenance, the placing of spoil from ditch cleaning and for general access for all farm uses between property owned by Lacy in the SE/4SW/4 and the SW/4SE/4 of Section 7 and the W/2NE/4 of Section 18 all in Township 14 South, Range 85 West of the 6th P.M. and a public county road, since the proposed airstrip lies between the described land and the county road.

2. Rouse agrees to construct and to maintain, in perpetuity, a concrete ditch installed in accordance with plans and specifications which are attached hereto and hereby made a part hereof as Exhibit "A", at the sole expense of Rouse, and which cross an airstrip or runway proposed to be built by said Rouse, such ditch to be for the carrying of any water now owned by Lacy and being an exercise of water rights which are the basis of diversion heretofore carried across the same general area in an open ditch being the same ditch as hereinabove referred to.

3. Rouse grants to Lacy unlimited access along the line of the airstrip crossing for ditch maintenance purposes, and also across and around the runway constructed or to be

constructed by Rouse at points described on Exhibit "A" between the Lacy property hereinabove referred to and the county road hereinabove referred to.

4. Rouse agrees that as a part of the above mentioned concrete ditch he shall provide a readily removable cover for said ditch at his own sole cost and expense and that Lacy may remove said cover at any time the water way of said concrete ditch shall fail to adequately carry water which Lacy shall elect to run through the ditch in accordance with his present priorities and rights.

5. Rouse agrees to secure a right of way for and to construct at his own sole expense a bypass ditch equal to the present ditch to eliminate a curve described as the first curve in the existing ditch, which bypass is located and described on Exhibit "A" attached hereto and incorporated by reference herein. Rouse further agrees to construct another bypass ditch, described as the second curve on Exhibit "C" and to the same standards and at his own cost provided that any cost for said second bypass exceeding \$250.00 will be borne by Lacy. Rouse agrees to obtain an easement for a third bypass as described in Exhibit "C" on which will be constructed a third bypass at the expense of Lacy.

6. Rouse agrees to convey to Lacy an unencumbered title to an easement and right of way for the running of all decreed water now owned by Lacy in, through and across the area occupied by the concrete ditch and the bypasses hereinabove referred to together with the right of access and to exhibit to Lacy satisfactory evidence of the unencumbered status of such title, whereupon Lacy agrees to relinquish all of his right, title and interest in or to the original ditch and rights of access associated therewith and in the loops which will have been bypassed and made unnecessary by virtue of construction of the concrete runway crossing and bypasses. Lacy agrees to shut

off all ditches and remove equipment to facilitate the construction of the airport.

7. Lacy shall have no obligation with respect to injury which may be done to the proposed airstrip or runway which will cross the above mentioned concrete ditch, but Lacy agrees to confine his surface crossing of said runway to a concrete pad, if Rouse elects to construct such a pad parallel to and along side the concrete ditch, but without obligation on Lacy as to the effectiveness of such concrete pad to protect the surface of the runway, it being understood that Lacy may have occasion to cross said area with heavy steel tracked vehicles.

8. In order to expedite the installation of the airstrip proposed by Rouse, Rouse may, at his own sole risk, proceed with the above outlined work and the same shall not be considered as a trespass on or against rights of Lacy, provided however, that unless all action required to be performed in order to completely consummate this agreement shall have been completed by June 1, 1976, Lacy shall have the full right to completely restore conditions as they have heretofore existed and Rouse agrees to fully compensate Lacy for restoring the land to the condition in which it was prior to September 1, 1975.

9. Rouse further agrees to hold Lacy harmless from any damage arising to Lacy at any time hereafter as a result of the changes from the historical practices and usages by Lacy and his predecessor which are brought about as a result of the work to be done under this Agreement. Lacy agrees to promptly notify Rouse of any damage claimed pursuant to this paragraph and it is mutually agreed that Rouse shall have the full obligation to adjust and settle such damage and failing to do so shall be in default of performance of this paragraph.

10. The performance of the terms of paragraph 9 above shall be and constitute a perpetual lien against the airstrip

and related property of Rouse which are described in Exhibit "B" attached hereto and hereby made a part hereof to insure that the covenants and agreements contained in said paragraph 9 are fully performed.

11. It is mutually agreed that the airstrip area involved is as shown in Exhibit "B" attached hereto and hereby made a part hereof and that in the area detailed on said Exhibit Lacy will be confined to the use of any adequate roadway rather than along the ditch if the detailed area which is to contain office and hangar space should interfere with normal use along the ditch.

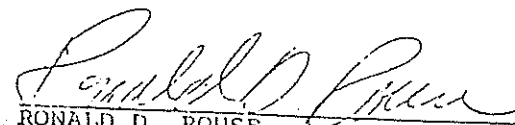

12. Not later than May 1, 1976, Rouse agrees to pay reasonable attorney fees incurred by said Lacy in connection with this Agreement. This obligation shall only apply to attorney fees charged by the law firm of Saunders, Snyder & Ross.

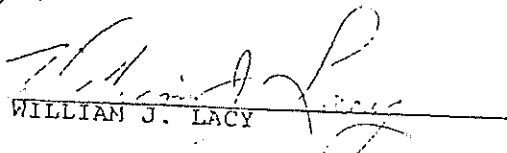

13. For a period not to exceed fifty (50) years, Lacy and/or his representative shall be entitled to free landing fees and free tie-down fees for one airplane, provided that no commercial use is made of said airplane. This provision may not be assigned.

14. Both parties agree to execute all documents necessary to effectuate this Agreement.

15. The benefits and burdens of this Agreement shall inure to and be binding upon the parties hereto, their heirs, executors, administrators, successors and assigns, except as above provided.

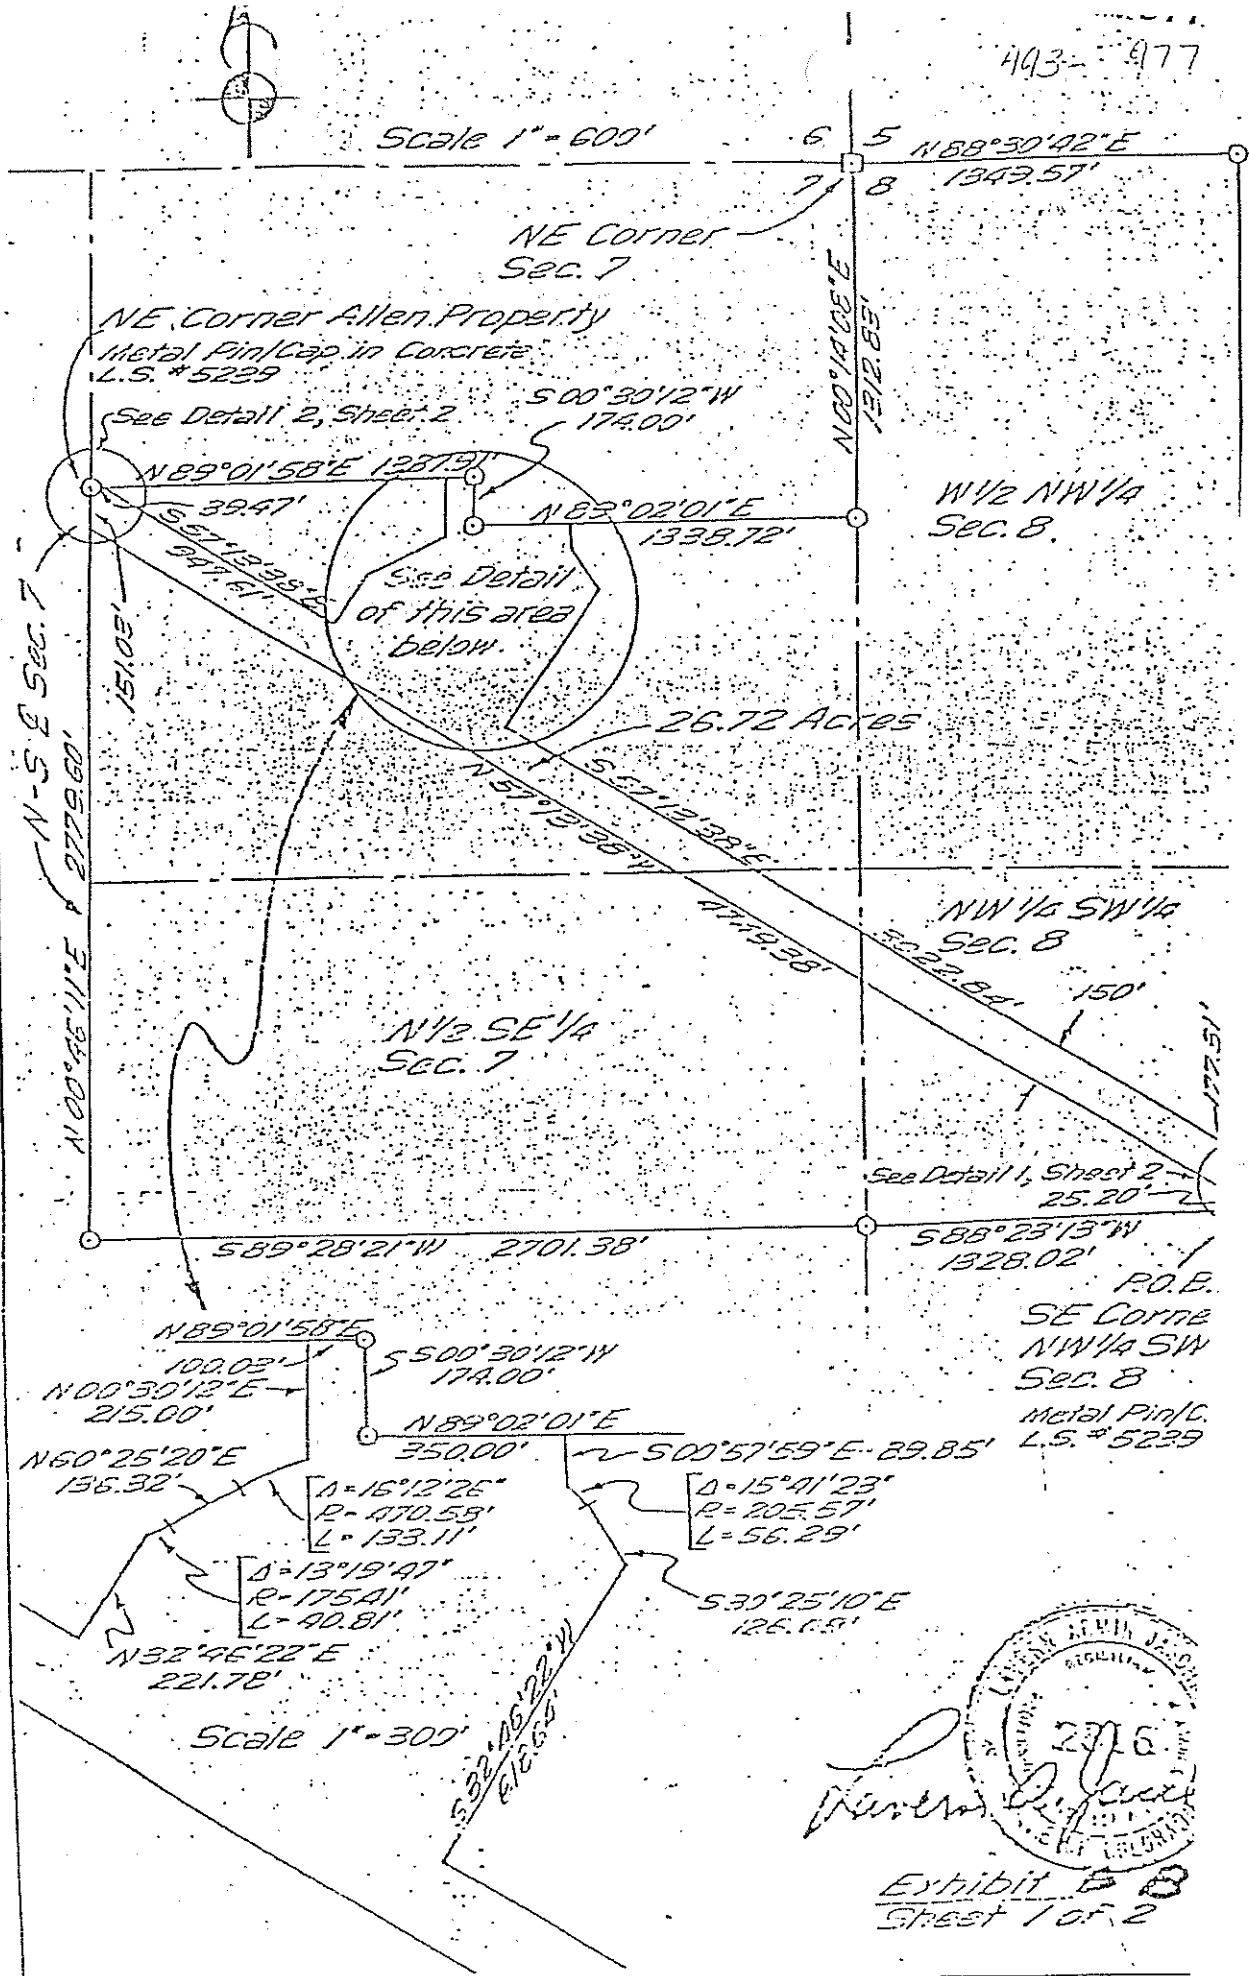

IN WITNESS WHEREOF the parties hereto have executed the within Agreement as of the day and year first above written.

- 19) THENCE S00°32'54"W 177.31' ALONG SAID EAST LINE TO THE TRUE POINT OF BEGINNING.

THE ABOVE DESCRIBED TRACT CONTAINS 26.72 ACRES, MORE OR LESS. BEARINGS ARE BASED ON A BOUNDARY SURVEY BY IRA L. HARDIN, L.S. NO. 5239.

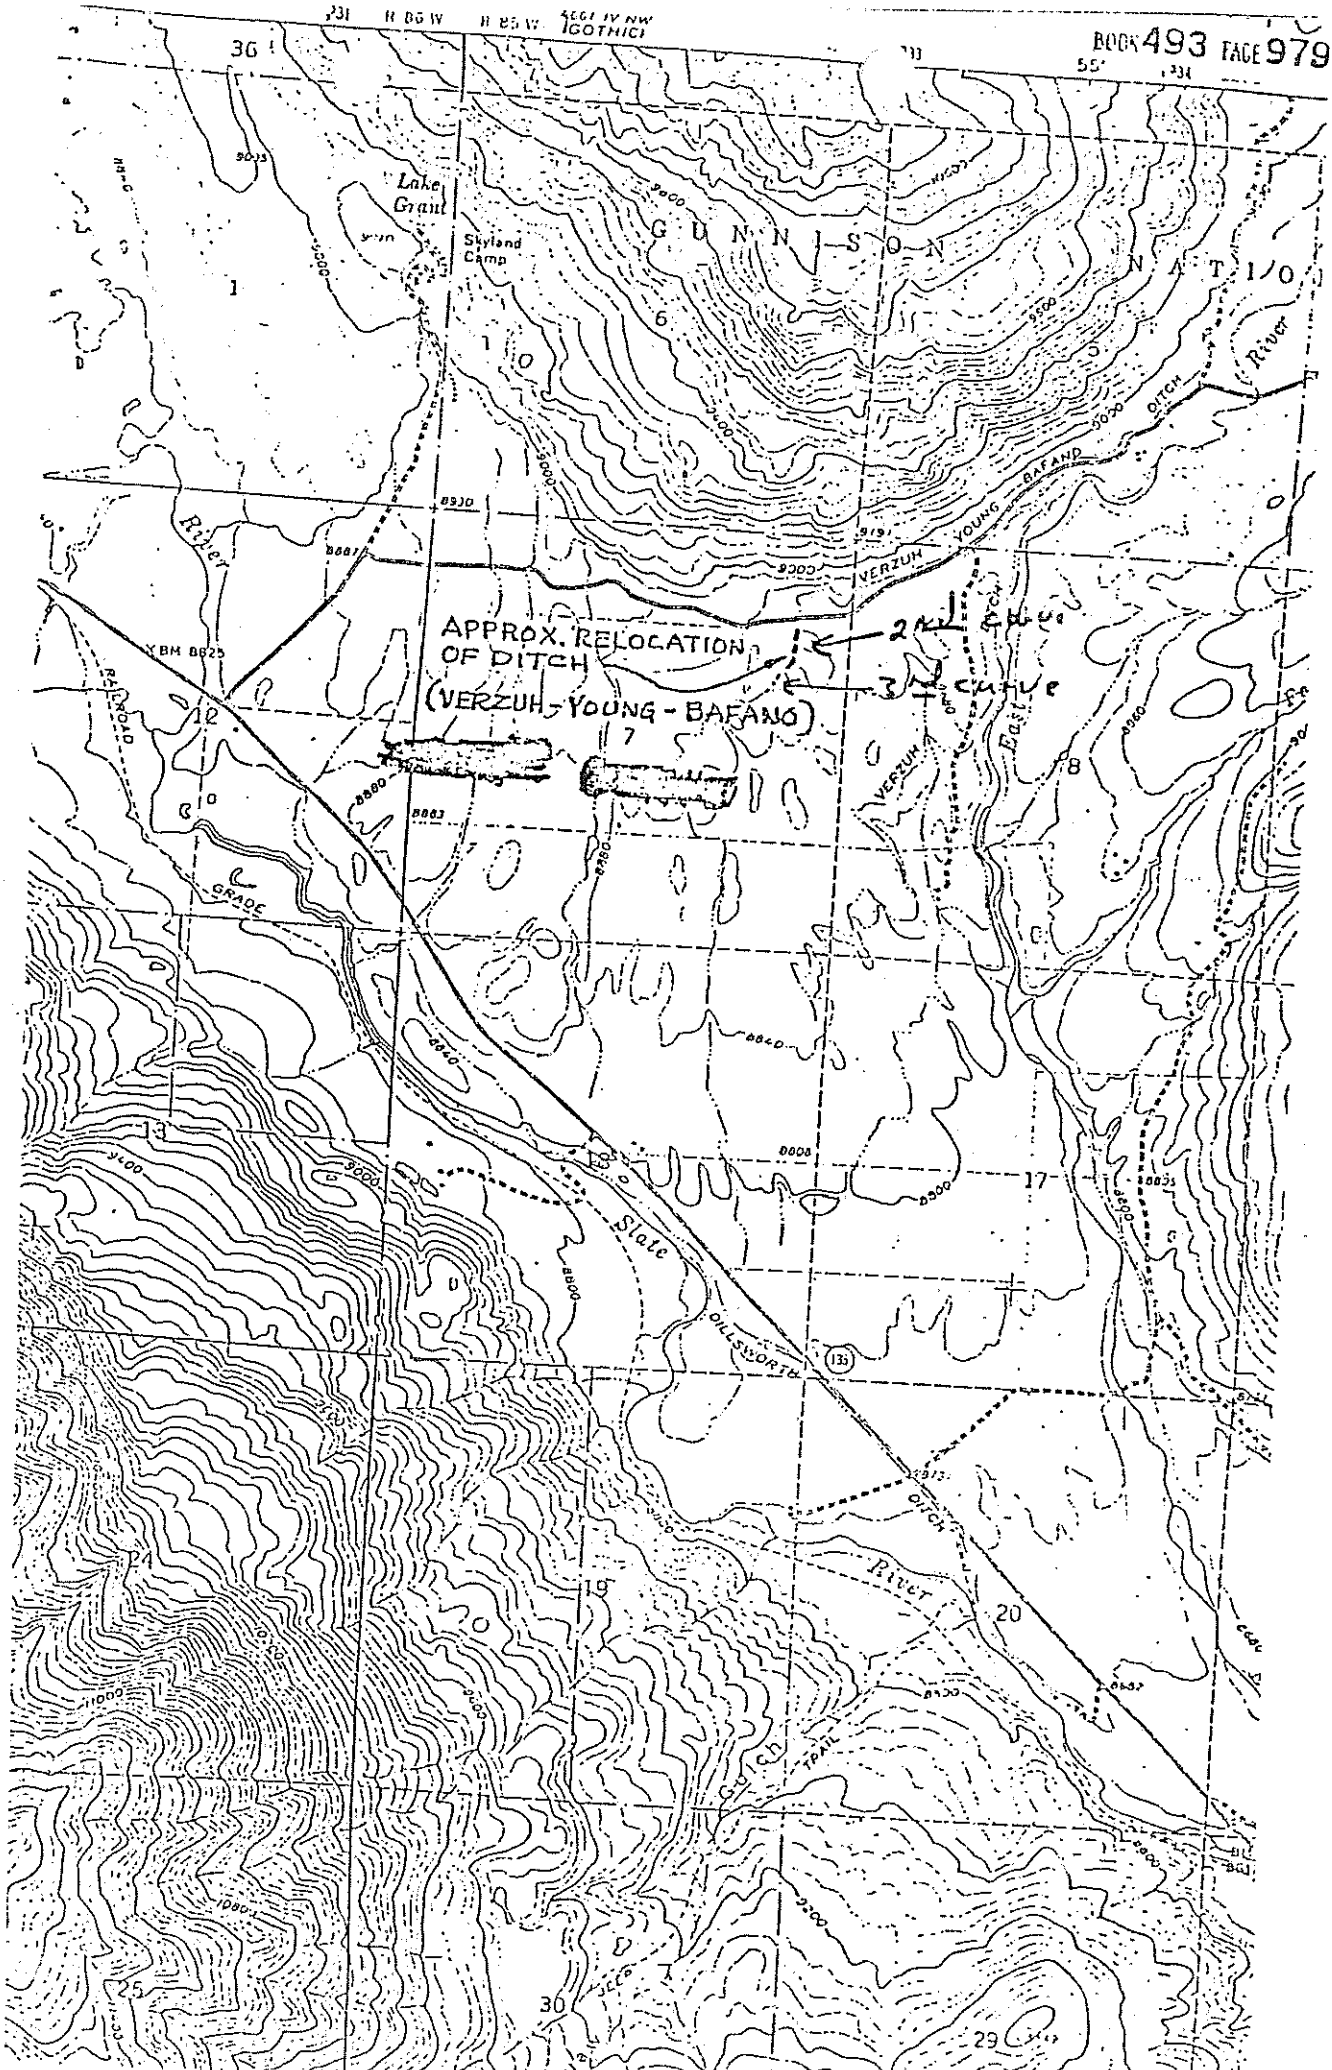

SURVEYOR'S CERTIFICATE

I, LAVERN A. JASCHE, A REGISTERED LAND SURVEYOR LICENSED TO PRACTICE IN THE STATE OF COLORADO, DO HEREBY CERTIFY THAT THE SHOWN AND DESCRIBED HEREON WAS PREPARED UNDER MY SUPERVISION, AND THAT THIS PLAT IS TRUE AND ACCURATE TO THE BEST OF MY KNOWLEDGE.

DATED THIS 8TH DAY OF SEPTEMBER, 1975.

Lavern A. Jasche
LAVERN A. JASCHE

Further reserving unto Richard A. Landy for a period of ten (10) years from the date of this deed, the exclusive first right and option to purchase all or any portion of the property described on Exhibit A, on the terms and conditions set forth in that certain Specific Performance Contract dated July 9, 1975 between Ronald D. Rouse as Purchaser and Richard A. Landy as Seller.

The undersigned, Marlene D. Landy, wife of the said Richard A. Landy, being fully advised, does hereby sign this deed solely for the purpose of waiving, relinquishing, remising and quitclaiming unto Ronald D. Rouse his heirs and assigns forever all of her right, title and interest in and to the above bargained premises, including without limiting the generality of the foregoing any rights, claims and interest arising under the provisions of the Colorado Probate Code, Colorado Homestead Exemption Law or any other law.

TOGETHER with all and singular the hereditaments and appurtenances thereunto belonging, or in anywise appertaining, and the reversion and reversions, remainder and remainders, rents, issues and profits thereof; and all the estate, right, title, interest, claim and demand whatsoever, of the said part y of the first part either in law or equity, of, in and to the above-bargained premises, with the hereditaments and appurtenances.

TO HAVE AND TO HOLD the said premises above bargained and described, with the appurtenances unto Ronald D. Rouse the said part y of the second part, his heirs and assigns forever.

And the said

Richard A. Landy

party of the first part,

for him self, his heirs, executors and administrators, do es covenant, grant, bargain and agree to and with the said party of the second part, his heirs and assigns, that at the time of the ensealing and delivery of these presents that he is well seized of the premises above conveyed, as of good, sure, perfect, absolute and indefeasible estate of inheritance in law, in fee simple, and has good right, full power and lawful authority to grant, bargain, sell and convey the same in manner and form aforesaid, and that the same are free and clear from all former and other grants, bargains, sales, liens, taxes, assessments and incumbrances of whatever kind or nature soever, except

taxes for the year 1975 payable January 1, 1976 and except those easements, liens, encumbrances and other matters affecting title described on Exhibit C attached and a part of this deed.

and the above bargained premises in the quiet and peaceable possession of the said part Y of the second part, his heirs and assigns, against all and every person or persons lawfully claiming or to claim the whole or any part thereof, the said part Y of the first part shall and will WARRANT AND FOREVER DEFEND.

IN WITNESS WHEREOF, The said part Y of the first part has hereunto set his hand and seal the day and year first above written.

Signed, Sealed and delivered in Presence of

 FROM RICHARD A. LANDY TO RONALD D. ROUSE

Right of way for ditches or canals constructed by the authority of the United States, as reserved in United States Patents recorded April 16, 1913, in Book 101, at page 529, as to the southwest of the northeast (SW $\frac{1}{4}$ NE $\frac{1}{4}$) and the northwest of the southeast (NW $\frac{1}{4}$ SE $\frac{1}{4}$) of Section 7, recorded February 28, 1934, in Book 235 at page 375, as to the northeast of the southeast (NE $\frac{1}{4}$ SE $\frac{1}{4}$) of Section 7, recorded January 29, 1948 in Book 278 at page 38, as to the northwest of the northeast (NW $\frac{1}{4}$ NE $\frac{1}{4}$), Section 7, and recorded October 28, 1949, in Book 278 at page 539, as to the west half of the northwest (W $\frac{1}{2}$ NE $\frac{1}{4}$) and the northwest of the southwest (NW $\frac{1}{4}$ SW $\frac{1}{4}$), Section 8, all of the above described property lying within Township 14 South of Range 85 West of the Sixth Principal Meridian.

Easement and right of way for road purposes as granted to County of Gunnison, Colorado by Henri A. de Compiagne, Jr., in the instrument recorded May 16, 1966, in Book 357 at page 395, affecting the following described property:

The Northwest Quarter of the Northwest Quarter (NW $\frac{1}{4}$ NW $\frac{1}{4}$),
 Section 8, Township 14 South, Range 85 West, Sixth
 Principal Meridian.

All existing roads, highways, ditches, fences, telephone lines, power lines, pipelines, utilities, rights of way and easements therefor.

AGREEMENT

THIS AGREEMENT entered into this 11TH of Dec., 1995, by and between Brush Creek Airport Limited Liability Company (Brush Creek) and William J. Lacy, Jr. (Lacy).

WHEREAS, Ronald D. Rouse and William J. Lacy entered into an Agreement on November 6, 1975 (the 1975 Agreement), concerning certain matters recited herein; and,

WHEREAS, Brush Creek is the second successor in interest to the property owned by Rouse, which property is subject to the 1975 Agreement; and,

WHEREAS, Lacy is the successor in interest to the property owned by William J. Lacy, which property is subject to the 1975 Agreement; and,

WHEREAS, there is a question concerning the terms and conditions of the 1975 Agreement and the rights associated therewith; and,

WHEREAS, Brush Creek is in the process of developing its property and has received preliminary plan approval for Filing #1 of the Avion Club Subdivision by the Gunnison County Commissioners with the contingency that any obscurities in the 1975 Agreement be resolved between Brush Creek and Lacy prior to the final plan and plat approval; and

WHEREAS, an inaccurate version of this agreement was filed with the Gunnison County Recorder on April 4, 1994 at Bk. 743, Pgs. 230-234.

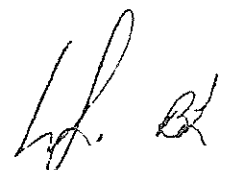

NOW THEREFORE, in consideration of the mutual terms, covenants and conditions contained herein, and in an effort to clarify the terms of the 1975 Agreement, the parties agree as follows:

SECTION ONE

Access Easement

1.00 Brush Creek will define, delineate and label on the final plat of Filing #1 of the Avion Club Subdivision, a forty foot (40') wide easement across the portion of the Avion property which is located in the E1/2 of Section 7, Township 14 South, Range 85 West of the N.M.P.M ("Avion Section 7 property"), with the easement beginning at the intersection of North Avion Drive and the northern border of the Avion Section 7 property, thence west to the northernmost end of the runway at the northwest point of the Avion Section 7 Property, thence south along the west fence line of the Avion property to the Lacy property located in the W1/2 NE1 /4 of Section 18, Township 14 South, Range 85 West of the N.M.P.M. (Lacy property).

1.01 The easement described in paragraph 1.00 shall be, delineated on the final plat as for the benefit of Lacy, his heirs and assigns, shall be perpetual and non-exclusive, and shall not be restricted as to use in any manner.

1.02 Any and all ditch crossings necessary for the use of the easement by Lacy shall be installed, constructed and maintained at Lacy's expense.

SECTION TWO

Ditch Laterals

2.00 Brush Creek recognizes the historical existence of the three (3) lateral ditches of the Verzuh-Young-Bifano ditch near the most southern part of the Avion property and Lacy's right to utilize these lateral ditches for the irrigation of his property during the normal irrigation season.

2.01 Brush Creek will reserve a twenty-five foot (25') easement on either side of the ditch, and all lateral ditches thereto, for maintenance purposes. Said easement shall run the full course of the ditch and laterals as they course through the Avion property and the easement will be defined on the final plat of Filing #1 of the Avion Club Subdivision, and other filings subsequently submitted in which the ditch or laterals are located. Said easement shall be delineated on any recorded plat as for the benefit of Lacy, his heirs and assigns, and shall be perpetual and non-exclusive.

2.02 In the event that Brush Creek pursues other filings of the Avion Club Subdivision in which the ditch or laterals are located, the final plat of said filing shall reserve a thirty foot (30') easement on either side of the ditch, and a twenty-five foot (25') easement on all lateral ditches thereto, for maintenance purposes. Said easement shall be delineated on any recorded plat as for the benefit of Lacy, his heirs and assigns, and shall be perpetual and non-exclusive,

SECTION THREE

Dry-Up and Easement

3.00 Brush Creek agrees to grant to Lacy an easement and a covenant to dry-up covering approximately twenty (20) acres of Avion property located in Sections 7 and 8, Township 14 South, Range 85 West, 6th P.M. which has been irrigated by Lacy in accordance with paragraph 10 of the Settlement Stipulation in the District Court, Water Division No.4, State of Colorado, Case Nos. W-3517, W-3518, W-3519, W-3520, W-3521, W-3232 and W-3233, entitled In 'the Matter Of The Application For Water Rights Of Richard A. Landy In The Gunnison River Or Its Tributaries.

3.01 The location of the 20 acre dry-up tract shall be designated by Brush Creek within thirty (30) days of a written request by Lacy for the location of said dry-up, and said location shall take into account the expense to Lacy and the impairment of use of the property by Brush Creek. However, Brush Creek does not warrant that 20 acres has been irrigated by Lacy or his successors and it is the responsibility of Lacy to demonstrate such irrigation. The designated 20 acre dry-up tract shall be surveyed at Lacy's expense and said survey shall conform in all respects with Colorado law.

W. B.

3.02 In addition to said dry-up grant, Brush Creek shall grant and convey to Lacy, across Brush Creek's property, a non-exclusive easement from an existing road nearest the 20 acre dry-up tract, of a width of not less than 15 feet, said easement to be surveyed concurrently with the 20 acre dry-up tract, also at Lacy's expense, which survey shall conform in all respects with Colorado law. Said easement is to be used only for access to the 20 acre dry-up tract and the performance of all activity needed on the 20 acre dry-up tract to complete said dry-up. Upon completion of said dry-up, said dry-up easement shall terminate.

3.03 Lacy shall have the right to perform all construction necessary, if any, on the 20 acre dry-up tract in order to effect the total dry-up of said 20 acre tract; however, any construction shall be limited to that needed to effect the dry-up, shall be completed promptly, in a workmanlike manner and at times and in a manner such that the construction shall, to the extent feasible, cause the least disruption to the activities of Brush Creek. Lacy shall obtain the prior approval of Brush Creek prior to the commencement of construction activities, which approval shall not be unreasonably withheld.

3.04 Brush Creek shall have the right to utilize the 20 acre dry-up tract for any purpose it sees fit, expressly including the construction of residential buildings, homesites and common avenues, so long as said usage does not adversely effect the dry-up process nor any construction or facilities installed to effect the dry-up.

3.05 Brush Creek and their successors shall have the right to relocate the 20 acre dry-up tract after the adjudication of a plan of augmentation by Lacy utilizing such dry-up so long as an amended plan of augmentation based upon the change in location of the 20 acre dry-up tract is approved by the Division 4 Water Court and that such relocation will be effective only upon entry of such Water Court Decree approving such amended plan of augmentation, and that such amended plan of augmentation will be adjudicated by Brush Creek, with all costs of every nature and description in obtaining a decree approving such amended plan of augmentation to be borne solely by Brush Creek, their successors and assigns.

3.06 Lacy shall provide to Brush Creek copies of all documents, including surveys, engineering reports and all proposed pleadings, ten (10) days prior to filing same with the Division 4 Water Court, for Brush Creek's comments, but not their veto.

3.07 It is expressly understood by the parties that Brush Creek makes no warranties regarding the suitability of any for a dry-up, and the obligation of Brush Creek in regard to the dry-up is strictly limited to providing land for the dry-up relocation and it is not the responsibility of Brush Creek, either financially or legally, to secure the dry-up relocation approval.

SECTION FOUR

Right to Pasture

4.00 Brush Creek and Lacy hereby expressly reaffirm and incorporate herein as part of this Agreement, the provisions of paragraph 10 of the Settlement Stipulation in the District Court, Water Division No.4. State of Colorado, Case Nos. W-3517, W-3518, W-3519, W-3520, W-3521, W-3232 and W-3233, entitled In The Matter Of The Application For Water Rights Of Richard A. Landy In The Gunnison River Or Its Tributaries, and the 1981 Lease Agreement corresponding therewith. Specifically, without limitation, the parties hereto reaffirm Lacy's right to use the land lying south of the Crested Butte air strip for the purpose of pasturing in accordance with the terms of said stipulation, *until such time as the dry-up has been completed.*

SECTION FIVE

Revocation of Inaccurate Agreement

5.00 The parties hereby revoke the inaccurate version of this Agreement filed with the Gunnison County Recorder on April 4, 1994 at Bk. 743, Pgs. 230-234 as if it were never filed. This Agreement does not affect the letter filed at Bk. 743, Pg. 235, which is incorporated herein.

SECTION SIX

Miscellaneous Provisions

6.00 All other terms and conditions of the 1975 Agreement not addressed herein will remain in full force and effect.

6.01 Both parties agree to pay their own attorney fees incurred in the review of this Agreement.

6.02 The benefits and burdens of this Agreement, as well as the benefits and burdens of the 1975 Agreement, shall inure to, and be binding upon, the parties hereto, their heirs, executors, administrators, successors and assigns.

6.03 This Agreement shall be governed and construed in accordance with the laws of the State of Colorado, and jurisdiction for any action pertaining to the interpretation or enforcement of this Agreement shall be proper in the District Court, Gunnison County, Colorado.

6.04 The prevailing party in any action brought in a court of law as to the enforcement, interpretation or construction of this Agreement shall be entitled to reasonable, attorneys' fees as well as all costs incurred in the prosecution or defense of such action.

Pursuant to the requirements of the Final Plat Approval of Filing #1 of the Avion Club Subdivision by Gunnison County Commissioners, Brush Creek Airport Limited Liability Company ("Brush Creek"), developer of the subdivision hereby agrees to make available a 30' x 45' space available on Lot C-2 or in a location mutually agreeable to both Brush Creek and to the Gunnison County Fire District as a location for a satellite fire protection facility.

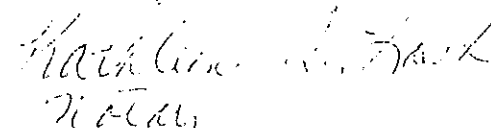

In the event that the Fire District chooses to construct such a facility, the architectural design will be subject to the approval of the Avion Club Architectural Design Committee, approval of which will not be unreasonably withheld. Building will conform to Avion Club Design Standards.

This statement will be recorded in the Office of Clerk and Recorders in Gunnison County.

AGREEMENT

THIS AGREEMENT entered into this 18th day of March, 1994, by and between Brush Creek Airport Limited Liability Company (Brush Creek) and William J. Lacy, Jr. (Lacy).

WHEREAS, Ronald D. Rouse and William J. Lacy entered into an Agreement on November 6, 1975 (the 1975 Agreement), concerning certain matters recited herein; and,

WHEREAS, Brush Creek is the second successor in interest to the property owned by Rouse, which property is subject to the 1975 Agreement; and,

WHEREAS, Lacy is the successor in interest to the property owned by William J. Lacy, which property is subject to the 1975 Agreement; and,

WHEREAS, there is a question concerning the terms and conditions of the 1975 Agreement and the rights associated therewith; and,

WHEREAS, Brush Creek is in the process of developing its property and has received preliminary plan approval for Filing #1 of the Avion Club Subdivision by the Gunnison County Commissioners with the contingency that any obscurities in the 1975 Agreement be resolved between Brush Creek and Lacy prior to the final plan and plat approval.

NOW THEREFORE, in consideration of the mutual terms, covenants and conditions contained herein, and in an effort to clarify the terms of the 1975 Agreement, the parties agree as follows:

SECTION ONE

Access Easement

1.00 Brush Creek will define, delineate and label on the final plat of Filing #1 of the Avion Club Subdivision, a forty foot (40') wide easement across the Avion property located in the E1/2 of Section 7, Township 14 South, Range 85 West of the N.M.P.M (Avion property), with the easement beginning at the intersection of Brush Creek Road and the Avion property, thence across the area that will later be defined as South Avion Road, thence west to the northernmost end of the runway at the northwest point of the Avion property in Section 7. At the point that the north end of the runway is crossed, the easement shall run along the west fence line of the Avion property from the northern most point of the runway, south to the Lacy property located in the W1/2 NE1/4 of Section 18, Township 14 South, Range 85 West of the N.M.P.M. (Lacy property).

1.01 The easement described in paragraph 1.00 shall be delineated on the final plat as for the benefit of Lacy, his heirs and assigns, shall be perpetual and non-exclusive, and shall not be restricted as to use in any manner.

1.02 Any and all ditch crossings necessary for the use of the easement by Lacy shall be installed, constructed and maintained at Lacy's expense.

SECTION TWO

Ditch Laterals

2.00 Brush Creek recognizes the historical existence of the three (3) lateral ditches of the Verzuh-Young-Bifano ditch near the most southern part of the Avion property and Lacy's right to utilize these lateral ditches for the irrigation of his property during the normal irrigation season.

2.01 Brush Creek will reserve a twenty-five foot (25') easement on either side of the ditch, and all lateral ditches thereto, for maintenance purposes. Said easement shall run the full course of the ditch and laterals as they course through the Avion property and the easement will be defined on the final plat of Filing #1 of the Avion Club Subdivision, and other filings subsequently submitted in which the ditch or laterals are located. Said easement shall be delineated on any recorded plat as for the benefit of Lacy, his heirs and assigns, and shall be perpetual and non-exclusive.

2.02 In the event that Brush Creek pursues other filings of the Avion Club Subdivision in which the ditch or laterals are located, the final plat of said filing shall reserve a thirty foot (30') easement on either side of the ditch, and a twenty-five foot (25') easement on all lateral ditches thereto, for maintenance purposes. Said easement shall be delineated on any recorded plat as for the benefit of Lacy, his heirs and assigns, and shall be perpetual and non-exclusive.

SECTION THREE

Dry-Up and Easement

3.00 Brush Creek agrees to grant to Lacy an easement and a covenant to dry-up covering approximately twenty (20) acres of Avion property located in Sections 7 and 8, Township 14 South, Range 85 West, 6th P.M. which has been irrigated by Lacy in accordance with paragraph 10 of the Settlement Stipulation in the District Court, Water Division No.4, State of Colorado, Case Nos. W-3517, W-3518, W-3519, W-3520, W-3521, W-3232 and W-3233, entitled In The Matter Of The Application For Water Rights Of Richard A. Landy In The Gunnison River Or Its Tributaries.

3.01 The location of the 20 acre dry-up tract shall be designated by Brush Creek within thirty (30) days of a written request by Lacy for the location of said dry-up, and said location shall take into account the expense to Lacy and the impairment of use of the property by Brush Creek. However, Brush Creek does not warrant that 20 acres has been irrigated by Lacy or his successors and it is the responsibility of Lacy to demonstrate such

WJH

irrigation. The designated 20 acre dry-up tract shall be surveyed at Lacy's expense and said survey shall conform in all respects with Colorado law.

3.02 In addition to said dry-up grant, Brush Creek shall grant and convey to Lacy, across Brush Creek's property, a non-exclusive easement from an existing road nearest the 20 acre dry-up tract, of a width of not less than 15 feet, said easement to be surveyed concurrently with the 20 acre dry-up tract, also at Lacy's expense, which survey shall conform in all respects with Colorado law. Said easement is to be used only for access to the 20 acre dry-up tract and the performance of all activity needed on the 20 acre dry-up tract to complete said dry-up. Upon completion of said dry-up, said dry-up easement shall terminate.

3.03 Lacy shall have the right to perform all construction necessary, if any, on the 20 acre dry-up tract in order to effect the total dry-up of said 20 acre tract; however, any construction shall be limited to that needed to effect the dry-up, shall be completed promptly, in a workmanlike manner and at times and in a manner such that the construction shall, to the extent feasible, cause the least disruption to the activities of Brush Creek. Lacy shall obtain the prior approval of Brush Creek prior to the commencement of construction activities, which approval shall not be unreasonably withheld.

3.04 Brush Creek shall have the right to utilize the 20 acre dry-up tract for any purpose it sees fit, expressly including the construction of residential buildings, homesites and common avenues, so long as said usage does not adversely effect the dry-up process nor any construction or facilities installed to effect the dry-up.

3.05 Brush Creek and their successors shall have the right to relocate the 20 acre dry-up tract after the adjudication of a plan of augmentation by Lacy utilizing such dry-up so long as an amended plan of augmentation based upon the change in location of the 20 acre dry-up tract is approved by the Division 4 Water Court and that such relocation will be effective only upon entry of such Water Court Decree approving such amended plan of augmentation, and that such amended plan of augmentation will be adjudicated by Brush Creek, with all costs of every nature and description in obtaining a decree approving such amended plan of augmentation to be borne solely by Brush Creek, their successors and assigns.

3.06 Lacy shall provide to Brush Creek copies of all documents, including surveys, engineering reports and all proposed pleadings, ten (10) days prior to filing same with the Division 4 Water Court, for Brush Creeks comments, but not their veto.

3.07 It is expressly understood by the parties that Brush Creek makes no warranties regarding the suitability of any for a dry-up, and the obligation of Brush Creek in regard to the dry-up is strictly limited to providing land for the dry-up relocation and it is not the responsibility of Brush Creek, either financially or legally, to secure the dry-up relocation approval.

wj

SECTION FOUR

Right to Pasture

4.00 Brush Creek and Lacy hereby expressly reaffirm and incorporate herein as part of this Agreement, the provisions of paragraph 10 of the Settlement Stipulation in the District Court, Water Division No.4, State of Colorado, Case Nos. W-3517, W-3518, W-3519, W-3520, W-3521, W-3232 and W-3233, entitled In The Matter Of The Application For Water Rights Of Richard A. Landy In The Gunnison River Or Its Tributaries, and the 1981 Lease Agreement corresponding therewith. Specifically, without limitation, the parties reaffirm and agree that Lacy shall have the right to use the land lying south of the Crested Butte air strip for the purpose of pasturing in accordance with the terms of said stipulation until such time as the dry-up has been completed.

SECTION FIVE

Miscellaneous Provisions

5.00 All other terms and conditions of the 1975 Agreement not addressed herein will remain in full force and effect.

5.01 Both parties agree to pay their own attorney fees incurred in the review of this Agreement.

5.02 The benefits and burdens of this Agreement, as well as the benefits and burdens of the 1975 Agreement, shall inure to, and be binding upon, the parties hereto, their heirs, executors, administrators, successors and assigns.

5.03 This Agreement shall be governed and construed in accordance with the laws of the State of Colorado, and jurisdiction for any action pertaining to the interpretation or enforcement of this Agreement shall be proper in the District Court, Gunnison County, Colorado.

5.04 The prevailing party in any action brought in a court of law as to the enforcement, interpretation or construction of this Agreement shall be entitled to reasonable attorneys' fees as well as all costs incurred in the prosecution or defense of such action.

5.05 The parties shall accept as binding for purposes of execution of this Agreement facsimile signatures; however, original signatures shall be provided within fourteen (14) days of facsimile execution.

IN WITNESS WHEREOF the parties have executed this Agreement as of the day and year first above written.

Re: Lacy/Brush Creek

Dear Dick:

To confirm our previous telephone conversation concerning your installation of ditch cleaning facilities in the Verzun-Young-Bifano Ditch, please be advised that I do not intend to enforce paragraph 13 of the Settlement Stipulation in the District Court, Water Division No. 4, State of Colorado, Case Nos. W-3517, W-3518, W-3519, W-3520, W-3521, W-3232 and W-3233, entitled In The Matter Of The Application For Water Rights Of Richard A. Landy In The Gunnison River Or Its Tributaries (Stipulation) at the present time; however, I do reserve the right to enforce paragraph 13 of the above Stipulation should development of the Brush Creek Property result in debris from the Verzuh-Young-Bifano Ditch flowing into my property. This letter should not be construed as a waiver of my right to enforce paragraph 13 of the Stipulation at any time in the future.

Sincerely,

Billy Joe Lacy
