COVENANT FOR COMMON EXPENSE ASSESSMENTS
AND NON-COMPLIANCE ASSESSMENTS

The personal obligation to pay any past due sums due the Association shall not pass to a successor in title unless expressly assumed by them.

The Common Expense Assessments of the Association shall be a continuing lien upon the Lot against which each such assessment is made. A lien under this Section is prior to all other liens and encumbrances on a Lot except: (1) liens and encumbrances recorded before the recordation of the Declaration; (2) a first lien Security Interest on the Lot recorded before the date on which the Common Expense Assessment sought to be enforced became delinquent, except as provided in the Act; and (3) liens or real estate taxes and other governmental assessments or charges against the Lot. Sale or transfer of any Lot shall not affect the Association's lien except that sale or transfer of any Lot pursuant to foreclosure of any first lien Security Interest, or any proceeding in lieu thereof, including deed in lieu of foreclosure or cancellation or forfeiture, shall only extinguish the Association's lien as provided in the Act. No such sale, transfer, foreclosure, or any proceeding in lieu thereof, including deed in lieu of foreclosure, nor cancellation or forfeiture, shall relieve any Lot from continuing liability for any Common Expense Assessments thereafter becoming due, nor from the lien thereof.

Section 5.02. Apportionment of Common Expenses. Common Expenses shall be assessed against all Lots in accordance with their percentage interest in the Common Expenses as shown on Exhibit B of this Declaration.

Section 5.03. Purpose of Assessments. The assessments levied by the Association through its Executive Board shall be used for the purpose of promoting the health, safety, and welfare of the Lot Owners and residents in the SILVER SAGE SUBDIVISION. In making such assessments, the Executive Board shall take into consideration all expenses which are reasonably foreseeable and which are deemed to be necessary, prudent, and desirable for the purposes of performing the Association's duties and obligations under this Declaration and such design guidelines as may be adopted by the Association. Without limiting the generality of the foregoing, the assessments may be made for the following purposes:

Common Expense Assessments may be collected in the manner as determined by the Executive Board. Common Expense Assessments shall begin on the first day of the month in which conveyance of the first Lot to a Lot Owner other than the Declarant occurs.

Section 5.05. Effect of Non-Payment of Assessments. Any assessment, charge, or fee provided for in this Declaration, or any monthly or other installment thereof, which is not fully paid within ten (10) days after the due date thereof shall bear interest at the rate as determined by the Executive Board, and the Association may assess a late charge thereon. Further, the Association may bring an action at law or in equity, or both, against any Owner personally obligated to pay such overdue assessments, charges, or fees, or monthly or other installments thereof, and may also proceed to foreclose its lien against such Owner's Lot. An action at law or in equity by the Association against an Owner to recover a money judgment for unpaid assessments, charges, or fees, or monthly or other installments thereof, may be commenced and pursued by the Association without foreclosing, or in any way waiving, the Association's lien therefor.

Section 5.06. Working Fund. The Association or Declarant shall require the first Owner of each Lot (other than Declarant) to make a non-refundable payment to the Association in an amount equal to one-sixth of the annual Common Expense Assessment against that Lot in effect at the closing thereof, which sum shall be held, without interest, by the Association as a working fund. Said working fund shall be collected and transferred to the Association at the time of closing of the sale by Declarant of each Lot, as aforesaid, and shall be maintained for the use and benefit of the Association. Such payment shall not relieve an Owner from making regular payments of assessments as the same become due. Upon the transfer of his Lot, an Owner shall be entitled to a credit from his transferee for any unused portion of the aforesaid working fund.

Section 5.07. Non-Compliance Assessment. Should any Lot Owner cause or allow to be caused any violation of this Declaration or design guidelines adopted under the power and authority granted herein, and allow such violation to continue after written notice to such Owner and the expiration of a reasonable time in which to comply, as set forth in the written notice, a non-compliance assessment may be levied by the Board against such Owner. The amount of any such assessment may include:

- (a) Cost incurred by the Association in attempting to secure compliance, including reasonable attorney's fees; and

- (b) Non-compliance penalties in such amounts as may, from time to time, be established by the Association's Executive Board.

In the event the Architectural Review Committee fails to take such action within sixty days after the submission of a complete set of final plans and request for approval, the application shall be deemed to have been approved; provided, however, in no event shall such failure to act in a timely fashion constitute direct or indirect approval or any violation of this Declaration or any governmental law, ordinance, regulation, enactment, or code.

(d) Criteria. The Architectural Review Committee shall consider the suitability of the proposed building, the harmony thereof with the environment, the effect of such building on the utilization and view from the Lot upon which the same will be built, and the interference, impairment, or restriction of view, if any, of adjacent Lots; the placement of the building with respect to the topography of the Lot; and natural terrain features. In this regard, all best efforts will be made to minimize the restriction, impairment, interference of view, and solar access that any

ROAD SHARING AGREEMENT

THIS AGREEMENT is entered into this 19th day Oct by and between Skyland Metropolitan District, a Colorado Special District, (hereinafter referred to as "Skyland"), River Green Property Owner's Association, Inc., a Colorado non-profit corporation (hereinafter referred to as "River Green") and Michael C. Cooper (hereinafter referred to as "Cooper").

WHEREAS, Skyland is a metropolitan district owning and maintaining the road system within Skyland Subdivisions which includes an unpaved road known as Slate River Drive, (hereinafter referred to as "the Road") and

WHEREAS, River Green is a Homeowners Association providing for assessments and management of common matters for the homeowners within the River Green Subdivision, and

WHEREAS, Cooper is the developer of a residential project to be known as Silver Sage Subdivision, and

WHEREAS, Slate River Drive provides the only access to and from the River Green and Silver Sage Subdivisions and Gunnison County Road # _____, as well as similar access to lots within the Skyland Subdivision Filing # 1, and

WHEREAS, the parties wish to come to an agreement for joint use and sharing of costs for future maintenance of the Road.

NOW THEREFORE, in consideration of the mutual covenants herein contained, the parties agree as follows:

1. Each of the parties, and their successors in interest, and homeowners and their guests within their respective subdivisions who require the Road for access to and from the county road, shall have the right to use the Road therefor, without hinderance or let, and without the payment of any fees or charges, except as hereinafter set forth. The term "guest" shall include all business invitees and their vehicles, including construction equipment reasonably necessary for the construction of homes and infra-structure improvements within the subdivisions. The Road shall remain a private road and not a public way, owned and maintained by Skyland, and subject to such rules and regulations governing safety and preservation of the Road, and limiting use to those entitled under this Agreement, as Skyland shall determine, in its sole discretion.

2. All decisions with respect to maintenance, replacement, improvement (including paving the road), or other matters of a like nature concerning the Road, shall be made by Skyland, in its sole discretion. In doing so, Skyland shall afford the other

parties the right to be heard concerning such matters.

3. The cost of all future repair, maintenance, improvements to the Road shall be born by the parties on the following basis:

Skyland	73.5%
River Green	11.25%
Silver Sage	15.25%

Provided however, that until such time as the Silver Sage Subdivision project commences work on it's own road system, the parties shall share such cost as follows:

Skyland	87%
River Green	13%
Silver Sage	0%

The procedure for sharing costs shall be as follows. At the commencement of each calendar year, Skyland shall advise the other parties of it's estimates for road costs for the coming year. During the year Skyland shall prosecute the work and bill the other parties for their share of the overall cost, providing with the bill reasonable documentation concerning expenditures. The other parties shall pay the bills presented to them promptly (in no event more than 30 days).

The parties acknowledge that Skyland and East River Regional Sanitation District has located water sewer and other utility lines within the right of way for the Road, and will be required to engage in construction activities relating thereto from time to time, thereby interrupting traffic. Repair of the Road necessitated by these activities shall be accomplished at the sole expense of Skyland. Neither River Green or Cooper shall be obligated to contribute to expenses for sidewalks, street lighting or landscaping associated with the Road.

4. Cooper shall form a homeowners association to govern the affairs of lot owners within his project and to provide for assessment and payment of common expenses, including those prescribed herein. At such time as Cooper shall cause that association to accept and assume the obligations of this agreement, it shall be released from liability hereunder to the extent such is assumed by the association.
